

Season's Greetings from the Napanee Veterinary Hospital!

Welcome to the latest edition of the Napanee Veterinary Hospital Newsletter! We are thrilled to share all the exciting events happening around the hospital with you

As the holiday season fills our homes with joy, warmth, and celebration, all of us here at Napanee Veterinary Hospital would like to take a moment to thank you for trusting us with the care of your beloved pets throughout the year. It has truly been our privilege to support the health and happiness of your furry family members.

Holiday Safety Tips for Your Pets

The holidays can be exciting—but also a little risky—for pets. Keep these seasonal reminders in mind:

- **Skip the table scraps:** Many festive foods (chocolate, onions, grapes, fatty meats) can be dangerous for pets.
- **Decorate with care:** Tinsel, ornaments, and lights can be tempting but hazardous if chewed or swallowed.
- **Plants to avoid:** Poinsettias, mistletoe, and lilies can be toxic—opt for pet-safe greenery when possible.
- **Quiet spaces:** With guests and noise, make sure your pet has a calm place to relax.

Putting the “Fun” in Fundraising – A Season of Gratitude

This year, we are especially grateful for our amazing clients and patients. Your kindness, loyalty, and support allow us to continue providing compassionate, high-quality veterinary care every day.

**With your help, we raised over \$1100.00 for the Farley Foundation!
We thought we might celebrate... in verse:**

Every one of you Who's who donated and gave,
Every one of you Who's who went out of your way,
To help us raise funds for the Farley Foundation
Should be over the moon at this big revelation!
Please celebrate with us, as we send off the big cheque
And feel extra great about helping those pets,
Who's owners need help, whatever the reason,
To cover vet costs, no matter the season.
Hooray for our clients! Each one small and tall!
You've done it again! Three cheers for you all!
"Our clients? The best!" you'll hear us all bragging.
I promise you, if we had tails, they'd be wagging!

HOLIDAY PET SAFETY

If you're not sure if your pet has ingested something toxic, the Pet Poison Helpline can be a great resource. You can call them at
